WELCOME

GENERAL INFORMATION

We are located on the Rock Island Arsenal (RIA), building 56, 2nd floor, West wing. Building 56 is located on the corners of East and North Avenues. The Rock Island Arsenal is a 946-acre island in the Mississippi River, between the states of Illinois and Iowa. The RIA Post speed limit is 25 miles per hour, unless otherwise posted.

Class hours are generally from 0800-1600. Graduation for most classes is normally at 1100 on Friday; however, students should refer to their Welcome Letters they receive prior to the start of their class. Student dress is generally business casual; e.g., slacks and collared shirts. Military are not generally required to wear uniforms; however, if desired, the typical working uniform is appropriate. Shorts, sandals, athletic shoes, tank tops, jeans, and athletic sweat suits are examples of inappropriate attire.

The Rock Island Arsenal has a food court in building 60. Hours are from 0600-1400, Monday through Friday, serving breakfast and lunch.

If for some reason airline reservations need to be changed, there is a Scheduled Airline Ticket Office (SATO) in building 102, West wing, second floor. To contact SATO, call 1-800-788-SATO, (309)782-6052, or (309)788-5242.

If medical attention is needed, the Health Clinic is located in building 110. Students may or may not need to provide a copy of their travel orders to the Health Clinic.

The Rock Island Arsenal has a Post Exchange and Commissary for personnel authorized to use these facilities. They are both located on Rodman Avenue near the Davenport/Rock Island exits.

Parking is extremely limited. Students who choose to drive may have to park some distance from DAU-RI. There are designated Reserved parking spaces on the Arsenal. Please do not park in these areas or you will be subject to ticketing.

The airport is the Quad City International Airport located in Moline, IL, which is approximately 10-15 minutes from the Arsenal.

For general information about DAU-RI or to leave student messages, call DAU-RI at Commercial (309)782-0454 or DSN 793-0454.

LODGING INFORMATION

The Rock Island Arsenal is on the Worldwide Listing of Army Installations Without Government Quarters and/or Dining Facilities because of inadequate dining facilities; however, there is a one-bedroom apartment available. The cost is \$20.00 per night. The Transient Quarters phone number is DSN 793-0833/1245 or Comm (309) 782-0833/1245.

The Transient Quarters (<http://riamwr.com>) has recently changed its policy on assigning non-availability numbers. They will no longer be assigning one NAQ number per individual student. One number per class will be assigned after students have arrived to their class.

The following have been compiled as a reference and do not reflect a recommendation nor an endorsement by DAU-RI. Students should note that not all of the hotels will fall within the per diem rate.

ARMY LODGING'S PREFERRED HOTEL PROGRAM

The Transient Quarters (TQ) office has developed a new program within Army Lodging, the Army Lodging's Preferred Hotel Program, which will soon be in conjunction with the Lodging Success Program. The TQ office currently has a contract with several local hotels who have agreed to be a part of this program. It is not mandatory for TDY travelers to utilize these hotels. The hotels participating in this program are: Best Western Steeplegate Inn, Comfort Inn, Hampton Inn of Moline, Holiday Inn Express, Holiday Inn of Bettendorf, Holiday Inn of Moline, The Lodge Hotel, and the Signature Inn of Bettendorf. The telephone numbers for these hotels are located above in the hotel listings. Each hotel has a designated Gov't Rate Code which is also included in the hotel listings.

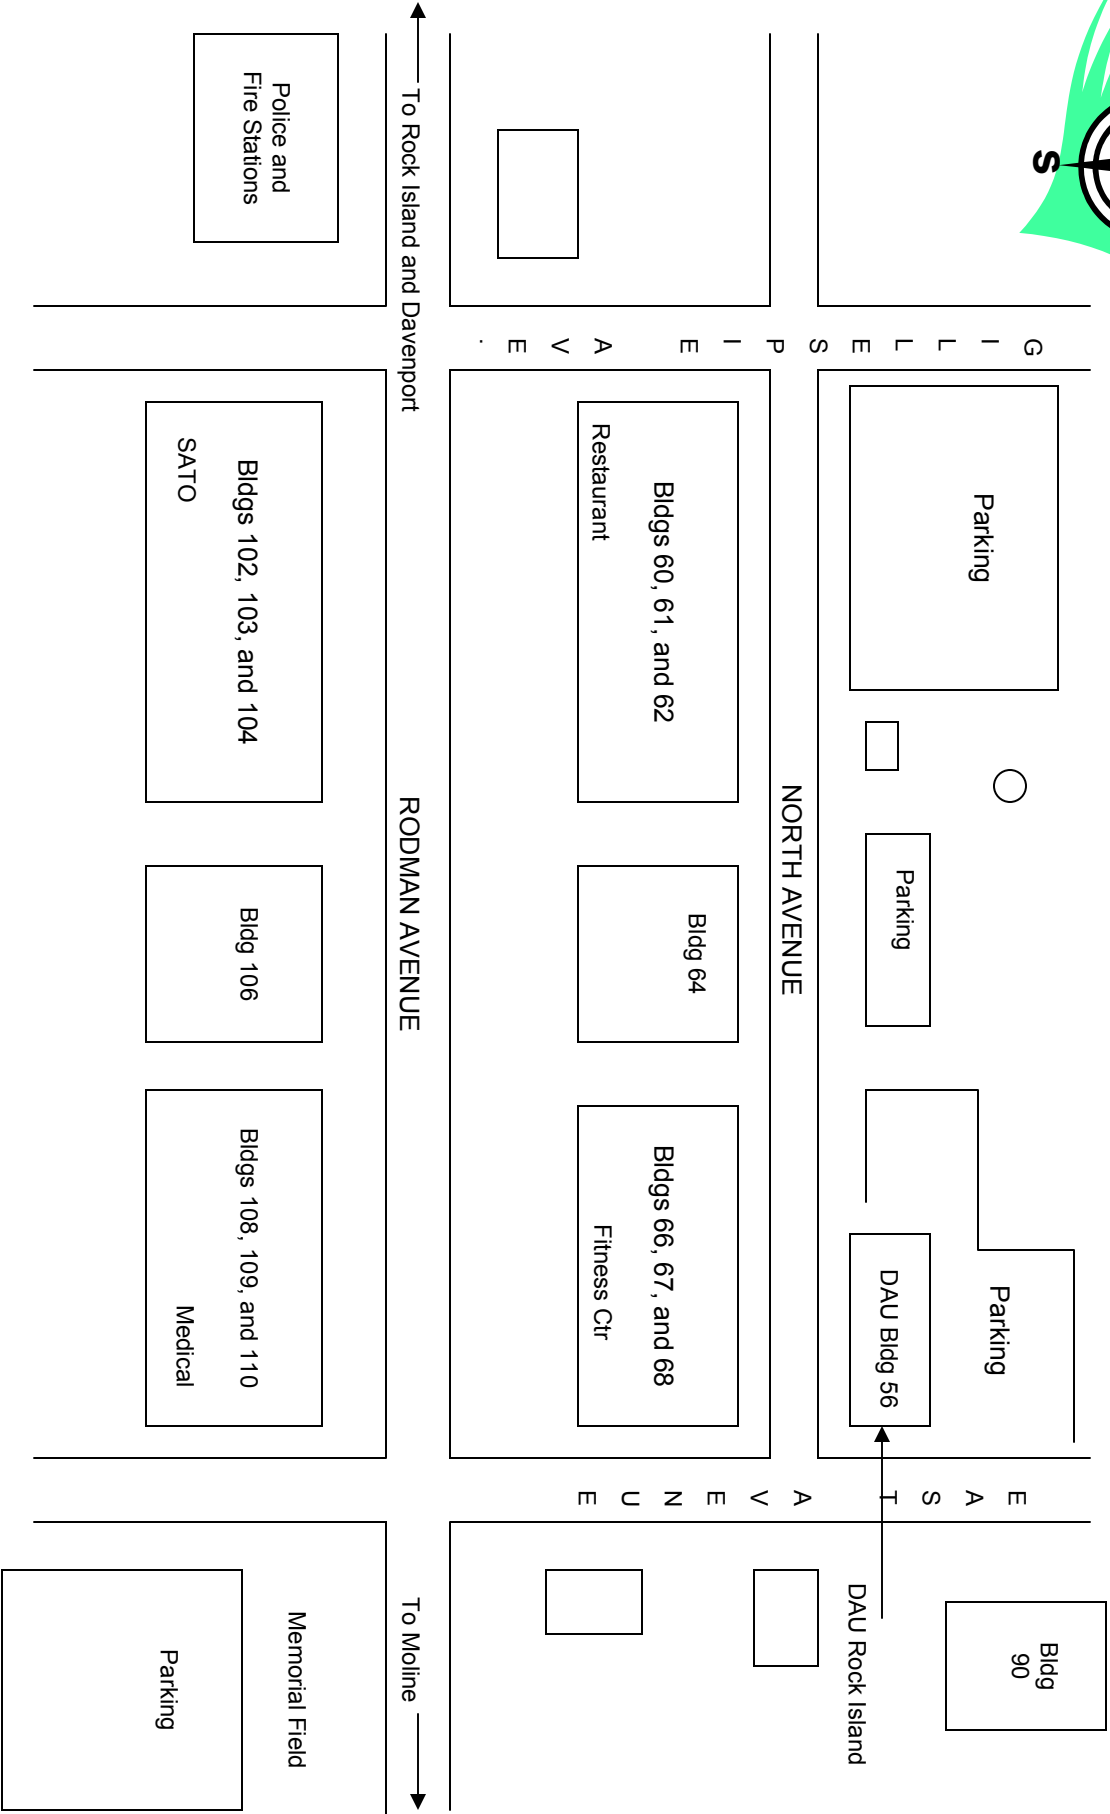

SECURITY NOTICE/VISITOR BADGING

On the first day of class, all students **MUST** enter the Island at the Moline, IL, gate, located on River Drive, approximately 1/4 of a block West of 17th Street. Upon entering the Arsenal, students should follow the signs and proceed to Building 23 (located in the fenced-in area to the right of the Guard Shack) where they will receive their Visitor badges for the duration of the class they are attending. The badges must be displayed from the waist up where they can easily be seen by other personnel. The badges must be made readily available to show to the guards at the gates upon entering the Island. **Please remember to turn in your badges on the last day of class. Guidance is given by Security as to where these badges may be turned in.**

If it is dark outside, please turn on your interior lights so that the guards have a better access to see you, your badges, and the interior of your vehicles. Please note that vehicles are randomly selected for inspection. After the first day of class, students may enter the Island at any of the Island's entrance gates. All vehicles that do not have Arsenal Installation Decals are subject to 100% inspection.
